TO BE A GOOD CITIZEN YOU HAVE TO:

- Do your share to make your school and community better.
- Protect the environment.
- Stay informed; vote.
- Cooperate • Obey laws and rules • Respect authority • Be a good neighbor.

KUPA (derived from the Hawaiian for citizen) is the BEAR who considers herself a citizen of the world. A philosopher and poet, she believes that we are all part of the same family and must do our share to help each other.

KIDS WITH CHARACTER IN OUR COMMUNITY

Good Citizens – the Autistic support students at Gettysburg High school have cooperated all summer to grow a garden at the Agricultural Center on old Harrisburg Road. Not only did they beautify their surroundings with colorful flowers, they also shared their harvest of homegrown vegetables with residents of the local nursing home and school staff members. They have shown good citizenship to their school and community. Way to go! The students will receive coupons from Mr. G’s Old Fashioned Ice Cream in Gettysburg.

Find an example of someone displaying good citizenship. What are they doing that shows good citizenship? Are they doing something to help our community, our state, or our country?

Look through today’s newspaper.
